

Hello and greetings from Saskatoon,

I Hope things are going well in and around Winnipeg! Is there any chance you might be willing to circulate the below to anyone you know that might be interested in Rupertsland or in the brass/percussion community. We are hugely excited about our faculty so far this year and we will be adding some more to make it the biggest PMR yet for year 7! We will also be doing some student based promo soon. They have a little longer before their registration cost jumps up. Accommodations and bursaries are available and we can extend the early bird deadline another week or two for anyone that is interested from Winnipeg or around.

Prairie Music (Brass and Percussion) Residency- August 7th-11th 2019
